Dear Loyal Conservancy Supporter,

You marvel at the wonders of nature, from a single wildflower to nature's most expansive forests. Did you know you can take a step today to protect the world you cherish tomorrow? [When you include The Nature Conservancy in your estate plan](#), you are making a powerful commitment to help keep our lands and waters healthy for generations to come.

We are honored to have helped many of your fellow nature-lovers, like Suga Moriwaki, secure their own conservation legacies.

For Suga, nature is a place to renew the body and mind. "Natural places give me a peace of mind that I don't experience elsewhere," says Suga. "I believe The Nature Conservancy's collaborative approach to conservation is a good way to effect change, and making a gift through my will is an easy and impactful way for me to support that work."

Join Suga and many others who giving to protect nature.
